

Visa Information

We welcome colleagues from overseas with an interest in the subject of the conference. If you are coming from outside the European Community and require visa information, we recommend that you visit the web site http://www.diplomatie.gouv.fr/en/france_159/entering-france_2045/index.html operated by the French *Ministère des Affaires Etrangères et Européennes*.

If you do need a visa it will provide you with contact details for your nearest French Embassy or Consulate.

If you need a letter confirming your registration, this can be provided; however it will only be issued after a delegate has registered for the conference and payment has been received. There can be no exceptions to this and no letters confirming registration will be issued before payment has been received.

Instructions on how to request letters confirming paper acceptance or registration will be provided later.

Request for Visa Assistance (Please Print or Type all Information)

Name: _____

Email address: _____
